MEMORANDUM FOR: Director of Training

SUBJECT : Review of Training Program for
Career Trainees

REFERENCE : Memorandum for DDI from DTR, Same
Subject, dated 11 August 1967

25X1A

I appreciate your memorandum of 11 August 1967 and pursuant to your discussion with [REDACTED] of this office, I agree with you that it will be unnecessary to assign a senior officer from this Directorate to your office to assist in developing a new training program for CT's. I believe, however, that there should be a central point within the Intelligence Directorate where discussions can take place and decisions made on this subject. This should prove a more effective means of working with you to achieve the objectives of IG survey. I have asked [REDACTED] and his staff to assume this responsibility. If this is satisfactory to you, please call him when you and your staff are ready to begin discussions.
